

## **Fulbourn Community Car Scheme**

Fulbourn Community Car Scheme provides door to door transport for people who are unable to use public transport, and do not have use of a car.

The service is available to any resident of Fulbourn and the surrounding areas. Passengers pay the driver 30p per mile on the day of travel, with a minimum charge of £3.00

All journeys are arranged through the Co-ordinators, and all drivers are volunteers who use their own cars. Every driver is fully insured, and has undergone a DBS check.
